

True leaders serve others.

This value has been ingrained in me; one could say that this is my motto that guides my life decisions.

Please accept my statement of interest for NCURA's Region V Board member At Large position. I am seeking a membership because I believe in benefitting society and positively impacting others. Serving others is a way to do this. The Region V Board can help me with this.

Through my past NCURA Region IV experience (Chair, Board member) and NCURA National experience (ELP alum, LDI alum, PDC member), I have become very familiar with NCURA governance. Also, my 40+ presentations and 10+ workshops at NCURA Regional, FRA/PRA, Annual meetings, I have demonstrate my willingness to volunteer and ultimately, deliver professional development for all NCURA members through opportunities that are interactive, entertaining and pragmatic. To quote Sydney Harris, "The whole purpose of education is to turn mirror into window". This is my goal while I teach research administration to others.

Ghandi once said, "Live as if you were to die tomorrow, learn as if you were to live forever". It is with this spirit in mind that I am indicating my interest for a Region V board position – to also utilize my NCURA LDI and ELP leadership skills to apply to NCURA.

My name is David Ngo. I believe strongly that true leaders serve others. I believe that I am a true leader.
